

I Shall Be Released

:: G /// | Am /// | Bm / C / | G /// : ||

Verse 1 They say everything can be replaced
Yet every distance is not near.
So I remember every face
Of every man who put me here.

Chorus I see my light come shining,
From the west down to the east.
Any day now, any day now
I shall be released.

Verse 2 They say every man must need protection.
They say every man must fall.
Yet I swear I see my reflection
Some place so high above the wall.

Verse 3 Down here next to me in this lonely crowd
Is a man who swears he's not to blame.
All day long I hear him cry out so loud
Calling out that he's been framed.
