Intro | C /// | D /// | G /// | C /// | Am /// | C /// | % | G /// | % |

Chorus 2x || C /// | D /// | G /// | C /// | Am /// | C /// | % | G /// | % : ||

Old and in the way, that's what I heard them say
They used to heed the words he said, but that was yesterday
Gold will turn to gray and youth will fade away
They'll never care about you while you're old and in the way

Verse 1 | D /// | % | G /// | % | C /// | G /// | D /// | % |
| C /// | % | G /// | Em /// | % | Am /// | C /// | % | G /// | % |

Once I hear tell, he was happy
Had his share of friends and good times
Now, those friends have all passed on
He don't have no place called home
Like the old dog gone astray, he's just old and in the way

Chorus

Lead = Verse

Verse 2 When just a boy, he left his home
Thought he'd have the world on a string
Now the years have come and gone
Through the streets he walks alone
Lookin' back to a better day, feelin' old and in the way
