

## Dark Star

Verse 1 12x ||: A /// | G /// :||

Dark star crashes, pouring its light into ashes.

Reason tatters, the forces tear loose from the axis.

Searchlight casting for faults in the clouds of delusion

2x ||A///| % | A<sup>7</sup>///| % | G // Em| Em///| % | % :|| Em ///| % | % |

Shall we go?

You and I while we can.

Through the transitive  
nightfall of diamonds?

## Jam

Verse 2 Mirror shatters in formless reflections of matter.

Glass hand dissolving to ice petal flowers revolving.

Lady in velvet recedes in the nights of goodbye.

2x ||A///| % | A<sup>7</sup>///| % | G // Em| Em///| % | % :|| Em ///| % | % |

Shall we go? You and I while we can, Through the transitive nightfall of diamonds?
