Sometimes I wonder why I spend the lonely night, oh baby
Dreaming of a song. The melody haunts my reverie, and I am once again with you.
When our love was new, and each kiss an in-spi-ra-tion,
But that was long ago; now my consolation is in the stardust of a song.

Beside a garden wall when stars are bright, you are in my arms;
The nightingale tells his fairy tale of paradise where roses grew.
Though I dream in vain, in my heart it will remain;
My stardust melody the memory of love's refrain.
