

# That's All Right Mama

**Intro Vamp**        ||: E /// |    %    :||

**Verse**        | E /// |    %    |    %    |    %    |  
                 | A /// |    %    | B / / / |    %    | E /// |    %    |

**Verse 1**        Well, that's all right, mama, That's all right for you  
                 That's all right mama, just anyway you do  
                 Well, that's all right, that's all right.  
                 That's all right now mama, anyway you do

**Verse 2**        Mama she done told me, Papa done told me too  
                 'Son, that gal your foolin' with, She ain't no good for you'  
                 But, that's all right, that's all right.  
                 That's all right now mama, anyway you do

**Lead**

**Verse 3**        One and one is two, two and two is four  
                 Don't leave me Baby when you walk on out the door  
                 Well, that's all right, that's all right.  
                 That's all right now mama, anyway you do

**Lead**

**Verse 1**        That's all right, mama, That's all right for you  
                 That's all right mama, just anyway you do  
                 Well, that's all right, that's all right.  
                 That's all right now mama, anyway you do

**Lead**

**Verse 2**        Mama she done told me, Papa done told me too  
                 'Son, that gal your foolin' with, She ain't no good for you'  
                 But, that's all right, that's all right.  
                 That's all right now mama, anyway you do

**Lead**

**Verse 1**        That's all right, mama, That's all right for you  
                 That's all right mama, just anyway you do  
                 Well, that's all right, that's all right.  
                 That's all right now mama, anyway you do
