Someone called my name you know I turned around to see

It was midnight in the Mission and the bells were not for me, Come again.

Walking along in the Mission in the rain, Come again.

Walking along in the Mission in the rain.

Ten years ago, I walked this street my dreams were riding tall.

Tonight I would be thankful Lord, for any dream at all.

Some folks would be happy just to have one dream come true.

But everything you gather is just more that you can lose. Come again.

Walking along in the Mission in the rain, Come again.

Walking along in the Mission in the rain.

Lead (uses format Verse 2)

Verse 3 All the things I planned to do I only did half way

Tomorrow will be Sunday born of rainy Saturday.

There's some satisfaction in the San Francisco rain

No matter what comes down the Mission always looks the same, Come again.

Walking along in the Mission in the rain..... . . .
