Comes a time when the blind-man takes your hand, says "Don't you see?"  
Gotta make it somehow on the dreams you still believe.  
Don't give it up, you got an empty cup  
Only love can fill, only love can fill.

Been walking all morning went walking all night  
I can't see much difference between the dark and light  
And I feel the wind And I taste the rain  
Never in my mind to cause so much pain.

## Chorus

**Lead**      **Verse**

**Verse 2** From day to day just letting it ride.  
You get so far away from how it feels inside.  
You can't let go cause you're afraid to fall,  
But the day may come when you can't feel at all.
