I needed the shelter of someone's arms and there you were.

I needed someone to understand my ups and downs and there you were.

Sweet love and devotion gently touching my emotion.

I want to stop and thank you baby, I want to stop and thank you baby

Chorus

Verse 2 Open my eyes at night I wonder what I would be without you in my life
Everything was just a bore,
All the things I've done you know I've done them before
But you brightened up all of my days
With your love so sweet and in so many ways
I want to stop and thank you baby, I want to stop and thank you baby.

Chorus
