I need a woman 'bout twice my age,  
A lady of nobility, gentility and rage  
Splendor in the dark, lightning on the draw,  
Go through the book and break each and every law.  
I got a feeling and it won't go away, oh no  
Just one thing then I'll be ok, I need a miracle every day.

**Verse 2**   I need a woman 'bout twice my height,  
Statuesque, raven-dressed, a goddess of the night.  
Secret incantations, candle burning blue,  
We'll consult the spirits maybe they'll know what to do.  
And it's real and it won't go away, oh no  
I can't run around and I can't run away, I need a miracle every day.

**Lead = Verse**

**Verse 3**   I need a woman 'bout twice my weight,  
A ton of fun who packs a gun with all her other freight  
Find her in a sideshow leave her in L.A.,  
Ride her like a surfer running on a tidal wave.  
And it's real, believe what I say, yeah  
Just one thing I got to say "I need a miracle every day."

It takes dynamite to get me up, Too much of everything is just enough  
One more thing I just got to say, "I need a miracle every day"
