Verse 1 | B^b /// | F / E^b /| E$^{b\,\#o}$ /// | B^b /// | B^b/ D / | E^b // Dm | Cm /// | F /// |
    Went to see the captain, strangest I could find,
    Laid my proposition down, laid it on the line.

    I won't slave for beggar's pay, likewise gold and jewels,
    But I would slave to learn the way to sink your ship of fools.

Chorus | F / / / | F / E^b / | B^b / / / | % | % | F / / / | F / E^b / | Gm / / / | % | % |
    Ship of fools on a cruel sea, ship of fools sail away from me

    It was later than I thought when I first believed you,
    Now I cannot share your laughter, ship of fools.

Verse 2   Saw your first ship sink and drown, from rockin' of the boat,
    And all that could not sink or swim was just left there to float.
    I won't leave you drifting down, but woh it makes me wild,
    With thirty years upon my head to have you call me child.

Chorus

Lead = Verse 1x

Chorus

Verse 3   The bottles stand as empty, as they were filled before.
    Time there was and plenty, but from that cup no more.
    Though I could not caution all, I still might warn a few:
    Don't lend your hand to raise no flag atop no ship of fools.

Chorus

2nd Half of Chorus ("It was later that I though ...")
